## MESSAGE TO PARENTS AND CARERS FROM THE HEAD

It was great to see how many children took part in the Big Pedal event this morning. There were a very large number of hands that went up when I asked the children in assembly this morning who had cycled or scooted to school – and such perfect weather for it as well; it is almost as though it was planned!

I would like to draw your attention to the fact that we have had a policy change regarding issuing children with medicine. This new policy is a statutory one and is called ‘Supporting Children with Medical Needs’ and can be found on our Policies page on our website, or you can obtain a copy from the office should you need it. Wherever there are policy changes I will bring these to your attention so that you are aware of any changes.

I am also pleased to see how much better the class attendance is looking this week – thank you for your support in ensuring the children are in school every day.

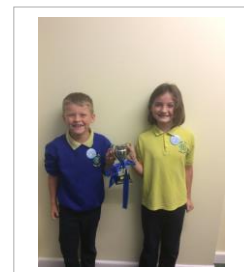

Have a good Bank Holiday weekend – enjoy the sunshine!

A BIG *thank you* to the MTL community for supporting and buying books from our book fair in November. As a result, we have managed to purchase all of these lovely books for our school using a Scholastics reward system. This means they were absolutely free from Scholastics. So once again, a BIG thank you!
