## MESSAGE TO PARENTS AND CARERS FROM THE HEAD

It has been great to see the children return after a holiday with high levels of focus and engagement. The children have been making the most of the drier weather which has been beneficial since Maple Tree has started 'The Daily Mile'. There is more information about this in a separate letter attached with this newsletter.

As you may remember, before half term I also told you about the new data protection regulations that came in to force on May 25<sup>th</sup>. Along with this newsletter you will also have been sent a letter which explains how we communicate with you and on our website you will find copies of our Privacy Notice for pupils and parents, our Data Protection policy and the Acceptable Use Agreements we need you to read and sign; there are other useful documents too which can be found on our Policies page on the website. Should you require any further information please do not hesitate to contact the school office.

Before I finish for this week we also need your help: National Book Tokens are currently running a competition for schools to win £5000 to put towards their school library. We are always in need of more books so if you were able to follow the link below and enter us into the competition that would be fab! The more entries, the more opportunity there is to win <https://www.nationalbooktokens.com/schools>

I hope you all have a lovely weekend.
