MESSAGE FROM THE HEAD

Today, in assembly, we celebrated 'World Teacher Day'. We are so lucky at Maple Tree to have amazing teachers who work tirelessly to ensure that the learning opportunities they give the children are full and varied. I am grateful to them all for their hard work and support in all that they do for Maple Tree.

Continuing with the 'Maple Tree is awesome' theme...as part of our building work and extending our age range, we have recently prepared a 'Travel Plan', which sets out what we intend to do to encourage journeys to school to be made in a healthy, safe manner. As part of the Travel Plan, we are asking parents for feedback / suggestions on any areas for improvement.

All data will be anonymous for reporting purposes and only used in developing the Travel Plan. I would be really grateful if you could follow the link above and answer the 5 quick questions.

This week you should have received letters regarding Parents' Evening. The Mulberries Pre-School will not be holding theirs until after half term to allow the focus to be on moving the children into their new classrooms and getting them settled. The dates for this will be shared with you next week. We are also waiting to confirm days/times for Birch class and these will also be shared with parents at the beginning of next week. Apologies for the delay in getting these out to you.

Have a lovely weekend!

Message from Friends of Maple Tree

We are holding a 'Break The Rules Day' on Friday 12th October. Please look out for the orange forms for more details on the rules that the children are allowed to break. Please reiterate to the children that it is only these rules that they can break and that all other school rules still apply. Normal school uniform and behaviour is expected.

Congratulations to Aspen for their 100% attendance this week!

Be in the line by 5 to 9!
