MESSAGE TO PARENTS AND CARERS FROM THE EXECUTIVE HEAD

Now the consultation has come to an end, for the community, I wanted to personally thank you for your responses. We had over 180 responses with some very detailed feedback. The governors and I are busy collating your views and preparing them in a format that will be easy to follow and read. We will furnish you with another date to meet with us soon, which you are welcome to attend, to share the outcomes and next steps.

I have been overwhelmed by your responses and support during this process and how much you value the educational provision for your children across the two schools. We will listen to your ideas and opinions and act on them.

Help wanted

We are looking for a new Clerk of Governors at Maple Tree. If you have experience of clerking and would like to be part of a forward thinking team, please contact the school office for further details. Meetings are held during term time only.

You are invited to ...

Come and celebrate the hard work that the children have put in this year at our Open Afternoon on Friday 14th July from 3pm. This will be a fantastic opportunity for you to share their successes with them before the end of the year.

SMSC weekly snapshot

This week the children have been discussing this month's value of Tolerance. They have been talking about how we are all unique and have something valuable to offer and share.

We have also been talking about tolerance of others and ourselves when we make mistakes.

The children were encouraged to think about how different life would be if we were all the same.

WHAT TOLERANCE MEANS...

- Tolerance means to accept differences.
- Tolerance means showing respect for the
 - Race
 - Religion
 - Age
 - Gender
 - Opinions
