## MESSAGE FROM THE HEAD

In many ways it doesn't seem like we have reached the end of the term - this one has been so different to any other but I know that everyone is ready for the break. I am hopeful that the weather will continue to improve and the days are definitely longer and brighter. We see the next phase of changes to social contact from Monday with the ability to meet with another household or with up to 6 people outdoors. This is a step closer to the interaction with others that we have been craving but please do bear in mind that when the children return after the Easter holidays they will still be in their bubble groups and social distancing measures will remain; we do this to keep us all safe and to limit the spread of the virus so that we do not find ourselves in a position where we are having to close bubbles.

We will continue with the 3 drop off/pick up times at the 5 minute intervals after Easter as this gives a steady, moving flow through the school site but please remember that, for now, the one way system remains in place too.

Below you will find dates for next term. We will be holding Parents' Evenings in the week beginning 26th April where you will have the opportunity to discuss the academic and emotional needs of your children. These will be held virtually again using the same platform as the Autumn term. More information to allow you to book appointments will be sent out after the Easter holiday.

I want to thank you all for the support you have shown us this term and for the hard work and sacrifices you have made over the past few months. I also want to thank all the staff at Maple Tree for their tireless hard work and commitment over the past term—you have been amazing as always!

I hope you all have a lovely Easter break!

Thank you to everybody for all your determination with Race for Life over the past few weeks.

It has been AMAZING to see all your photos and hard work rain or shine. As a school we have raised a SUPER £1036! I want to thank everyone for their hard work and donations.

Well done!

## Message from Friends of Maple Tree

The children all received a special treat today to wish them a Happy Easter and a relaxing break after a busy few weeks back at school!
