NED SHOW

This year, a focus on our School Development Plan has been to encourage emotional resilience for all and as part of this, on Tuesday children from Key Stage 1 and 2 watched a Growth Mindset performance, with the theme of 'Never Giving Up'. They were enthralled to watch as Megan thrilled them with yo-yo skills and magic, whilst at the same time getting the message of perseverance and resilience across.

Thanks to generosity of other schools the performance was free. All we had to do was 'pay it forward', and thanks to many of you purchasing yo-yos we displayed our Values yet again. Lots of children have been telling us that they have already mastered some of the amazing tricks that can be achieved with a yo-yo!

Thank you to all who came to support the children at Sports Day. It was a lovely event and the weather was good.

Thank you to Mrs Scott for organising the day and to FoMT for selling much needed refreshment.

Well done to Robins!

Space Chase Reading Challenge

Sandy library are calling for children to sign up to read six books this summer, as part of **Space Chase** (the Summer Reading Challenge for 2019). The challenge starts on Saturday 20 July and runs until Saturday 7 September.

Please see their website for opening times.

It is a great opportunity to keep the reading motivation high over the Summer holidays!

Governor Visit Update

One of the things I enjoy as a governor is undertaking 'Learning Walks', these enable governors to observe each classroom in action. Each visit has a particular focus. The purpose of the walk is for the governor and subject lead teacher to identify where the focus is evidenced across the key stages within the school.

My recent learning walk, as part of my role as a Link Governor for English, was to observe how oracy and discussion around text is taught. All teachers used effective, age appropriate questioning to clarify comprehension of the text. This also developed into broader discussions with the visibly engaged children. It is evident across the school how reading is part of the daily routine.

Thank you to all the teachers and children involved.
