## MESSAGE FROM THE HEAD

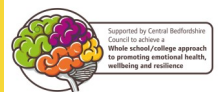

It doesn't seem real that this is the last newsletter of the academic year - I am sure it was only a couple of months I was welcoming you back after the summer holidays! It has been a very full year but also a very productive one. The dust will need to settle before we can completely reflect on our achievements this year but it has been a good one and we can enjoy the fact that the children have, again, been incredible.

I have a list of thank yous I need to share:

- Firstly to Friends of Maple Tree - your fundraising and range of events this year has been fantastic and we are so grateful to you all for the very hard work that you put into making this such a success. We are so pleased with the resources you have provided for us this year - thank you!
- Secondly I want to thank all the Governors for their hard work and support over the year - starting our transition to primary has meant a lot of additional meetings but I am really grateful to you all for your support.
- To our volunteers I would like to say thank you so much. Your support and commitment to the school, children and staff is very much appreciated.
- To our staff - you never cease to amaze me with your tireless enthusiasm and drive and determination to give the children at Maple Tree the very best. You are all amazing!
- And finally, I also want to thank you for all your support this year - your children are the reason that Maple Tree is the fab place that it is. Your help is appreciated in supporting your children at home, in attendance and participation in events etc.

Although we celebrate the year, it is also tinged with sadness as we say goodbye to staff and I want to say a special thank you to Miss Howley who will be embarking on an overseas trip to Australia and to Mr Venus who is to spend some quality time with his grandchildren. You will both be missed very much and I am extremely grateful to you both for the support you have given to us. Good luck with your future endeavours!

So all that remains is for me to wish you all a very lovely Summer and we will see you in September!

## Message from Friends of Maple Tree

Friends of Maple Tree have had a great year with lots of new events as well as some of the old favourites. We have raised over £6000 for the school this year which would not have been possible without your continued support - thank you.

We are sadly losing a few of our longstanding committee members this year, who have been invaluable in their contributions to Friends of Maple Tree. As we rely on volunteers to run our events, we are looking for parents who would be willing to help at film nights, discos, fetes etc. If you would like to get involved please contact us [fomt.mt@hotmail.co.uk](mailto:fomt.mt@hotmail.co.uk) or look out for the AGM date early in the Autumn Term.

Thank you again for your support.

## Leavers 2019

It is always sad when we have to say goodbye to children but we know that having worn the Maple Tree uniform they will be able to be friends with anybody, will work incredibly hard and be whatever they want to be so for this year we wish lots of luck to the children leaving us this year:

Year 5	Year 4	Year 3	Year R
Henry	Boyd Emily	Bethany Winnie	Stanley

**Good luck and continue to be amazing!**

## Parent Survey

There is still an opportunity to take part in the parent survey. It will only take a few minutes to answer 10 very quick questions about school. Your responses will help us to make improvements where necessary so it is important to us that we have your feedback.
