

## Parent Questionnaire Outcomes July 2019

Dear Parent/Carer

Please find below the results of the parent questionnaire that we carried out in July. We had a total of 47 responses and we are grateful to those who took the time to take part.

The senior leadership team and governors will be looking carefully at these outcomes and will be working hard over the coming year to address the issues that arose from this. We have a dedicated staff at Maple Tree who are committed to ensuring that your children do get the best education.

One of the main areas to come from the responses is communication. We will be addressing this in a number of ways, the main one being introducing a parent forum which will be an opportunity for you to have your say on selected topics. We do, of course, want to hear your thoughts and would encourage anyone who has concerns or suggestions to get in touch with us.

Any further comments, please do let me know.

Kind regards

Cath Bainbridge and the Senior Leadership Team
