

Closure of Club

It may be necessary to close the club in an emergency e.g. due to severe weather or heating problems. In such cases, notice will be provided as soon as possible to all attendees.

In the unusual circumstance where insufficient numbers of children are booked for sessions which therefore make it financially unsound to run, Governors may decide to close for those sessions. If this should occur, notice of a minimum of 2 weeks will be given.

Maple Tree Kids Club

Kids Club first opened in October 2000 to provide quality child care for parents.

From April 2012, the club became part of the school and is now run under the control of the Governing body. The funding for the club remains reliant on the fees received for the services provided.

We cater for children from the age of 3 to their 11th birthday and offer a wide range of quality activities both inside and out that are appropriate for all.

Children from Sandy and the surrounding areas are all welcomed.

The staff of the club are all qualified in play work / child care and first aid.
