19	7	12	5	1	0	0

Amount of Funding per Pupil Premium child: £1320

Amount of Funding per LAC child: £1900

Amount of Pupil Premium Funding received: £26200

Nature of support 2015/16

Additional support from teaching assistants in the classroom to work with individuals or groups. Support staff also worked with individuals and groups outside the class to either consolidate classroom learning or to provide opportunities to extend learning where this was appropriate need. An intervention group ran for KS2 maths and underachievers were picked up in KS1 through guided work with a teacher or a learning support assistant.

1:2 and 1:1 additional tuition also took place in KS2 for those who needed intensive small paired/individual support.

Financial support was also provided to enable the disadvantaged children with the same life experiences as other children of the same age for example, attending school trips, music lesson, help with uniform, attending breakfast club etc.

Curriculum focus of PPG spending 2015/16

Supporting pupils in a range of group activities to both supplement and extend learning in both maths and literacy as appropriate to the individuals concerned. To ensure that children are not disadvantaged from other learning experiences by subsidising the costs of extracurricular activities and school trips.

Area identified	Action	Cost	Success Criteria
% of PPG children BARE in maths	Teacher employed for 1:2 sessions once a week	£1000	Raised attainment in maths following a 7 week time period.
	Additional small group support given x2 week from a high quality TA	£9000	Closing of the gap between Pupil Premium and non-Pupil Premium in Year 1 and 2.
	Additional support given to SEND/PP children through additional staffing costs	£7000	
% of PPG children BARE in reading and writing	Additional small group support given x2 week by a qualified teacher.	£3500	Increase in attainment and self-confidence in both reading and writing for identified children.
	Part payment towards Bug Club and Abacus subscription	£750	
Tracking PPG children efficiently	To identify PPG children on planning documents and through use of Classroom Monitor. Regular work scrutiny to take place and half termly conversations with the PPG champion regarding the progress of the children.	none	To have PPG children clearly identified on planning to allow areas to be specifically targeted.
To meet PPG children's social and emotional needs	Milk provided daily for all PPG children.	£760	
	Uniform vouchers to be given to each PPG child		
Access to a cooked lunch	Payment for Free School Meals	£3250	Children to receive a balanced,

			healthy diet to ensure they are able to learn to their fullest potential.
To enable PPG children to access the wider life of the school leading to more positive attitudes to learning	Access to: Magical Maths Club/ Dance School trips	£150 £670	All PPG have access to after school clubs and trips to enhance learning.
Total Spend 2015/16		£26080	

Impact of PPG spending

The provision was aimed at 'closing the gap' between children in receipt of Pupil Premium and those who are not. Children's progress is monitored on a termly basis to evaluate the impact of support on their academic achievement. Their development in other areas is monitored informally by their class teacher.

2015-2016

In 2015/16 children in KS2 who were in receipt of Pupil Premium fared better than those children who were non-pupil premium children in essence narrowing the gap and in some cases closing the progress gap.

In 2015/16 Pupil Premium children attained in line with other pupil premium in the local authority.

In KS1 63% of children who were Pupil Premium children also had complex SEND. Those who were Pupil Premium alone made progress in line with local authority expectations, those who were also SEND did not though provision was put in place to support the needs of these pupils.

2014-2015

In 2014/15, there was a change in the profile of children receiving PPG with a number of new children to the school.

2013-2014

Results from 2013/14 show that in some cases and in particular those in year 4 have made better progress than children who are not in receipt of PPG

In 2013/14 Pupil Premium children attained in line with other pupil premium in the local authority.

In general PPG in all years have made at least expected progress.
