PE and Sport Premium Impact Review

Indicator 1: The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school

To run a range of sporting extracurricular activities.	The children have benefited from Gymnastics, dance, dance showcase and football so far. Rounders club will run in summer 2.	Nil	Children are enjoying the variety of sports on offer for after school clubs. This is enabling them to become more active and work towards their daily active minutes.	A greater variety of clubs on offer next academic year. To include Tag rugby, Kwik cricket, archery and fencing.
Ensure PE resources are available, appropriate and fit for purpose.	Damaged equipment has been discarded and new equipment has been purchased. An outdoor table tennis table was purchased along with new cones, balls and boxing equipment to be used in lessons.	£1329.53	Table tennis table is being used at lunchtimes and will be used in lessons. Children are benefitting from a fully stocked PE cupboard as this means there is enough equipment for the lessons.	To run a boxercise afterschool club and use the boxing equipment and table tennis table during lessons.
Indicator 5: Increased participation	in competitive sport			
Key Actions taken	Actual Outcomes	Actual Cost	Impact (school, staff, pupils) with Evidence	Sustainability/next steps
To improve intra-school sports	Certificates and stickers were purchased for sports day and for an intra-school football competition. A key stage 2 football competition between classes was run in Spring 2.	£17.91	Children enjoy being rewarded with certificates and feel a sense of achievement. They enjoyed the competition between the classes.	Run more KS1 and KS2 competitions between classes and purchase a trophy for each key stage winners. This can be used year after year.
To compete in all sports competitions between cluster schools.	KS2 have so far competed in Tag Rugby and football festivals and have Kwik cricket, multi skills, athletics and tennis in the summer term. KS1 have competed in a multi skills festival and have an athletics festival in the summer term.	£200	KS2 children have a better understanding of invasive and competitive sports. Teamwork has been encouraged and less active children and SEN children have been exposed to competitive sport. KS1 children have gained a better understanding of competition and are now ready to compete at KS2.	Continue to include SEN children in sporting fixtures and aim to involve all children in KS2 in some form of competition. Build on the competitive skills learnt in KS1.
Organisation and running of whole school sports day to enable all children to participate competitively in house teams in a variety of activities suitable for all abilities.	Certificates, stickers and extra members of staff were paid for to enable sports day to run smoothly and make it an enjoyable day for staff, children and parents.	516.25	Increase in the amount of children in the school taking part in sports day. Increase in the number of activities on offer at different ability levels, which enabled SEN children to fully participate. Encouraged intra school competitive competition.	Employ the extra members of staff to help run sports day. Continue with the in house competition.

Parents preferred the set up and layout of	
activities as it was easier to spectate.
